

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

In the Burlington parks 2,000 tulip bulbs have been set out.

As Felix Chauvin of Shelburne was taking up a carpet recently, one of the tacks flew and hit him in the eye. It is doubtful whether the sight can be saved.

The hitching posts have been removed from Vergennes' Main street, but have been put up in other places, so that outsiders may still have places to hitch their teams.

Announcement is made of the engagement of Miss Zoe Townsend of Ludlow to Allen M. Fletcher, Jr., of Proctorville, son of ex-Gov. and Mrs. Allen M. Fletcher. The marriage takes place this fall.

Mrs. Jane Dorr, now of Williamstown, Mass., but until recently a resident of Rutland, was one of the marchers in the woman's suffrage parade in Boston Saturday. Mrs. Dorr has been quite active in suffrage work.

Mrs. H. O. Clark has presented her home in Milton to the town, to be used for a town hall, offices, library and park. Since the opera house block was burned, the town has been without a good-sized hall, but in the Clark home there will be room for many things which the place has needed.

## ACQUITT OF DEER KILLING.

Farmer Won Contention that He Was Protecting His Crops.

Brattleboro, Oct. 19.—The jury which heard the case of the state against Morris Chamberlain of West Brattleboro, charged with illegal killing of a deer out of season, returned a verdict of not guilty yesterday in county court after deliberating only a few minutes. The evidence and arguments were put in Friday and Saturday before recess was taken to yesterday morning at 11 o'clock. Judge Fish delivered his charge to the jury.

Chamberlain claimed that he killed the deer while it was in the act of damaging his crops and thereby differed from the opinion of the state, which claimed that the animal was not killed while damaging crops. State's Attorney O. B. Hughes appeared for the state and Gibson & Daley for the respondent.

## VERMONT BUSINESS TROUBLES.

Springfield Dealers in Auto Supplies Filing in Bankruptcy.

Rutland, Oct. 19.—C. S. Vail's Sons, composed of Edward C. Vail and Henry P. Vail, dealers in automobile supplies, of Springfield, have filed a petition in bankruptcy in the United States court through Ryder & Graham as attorneys. Their liabilities are \$220,000 and they have assets of \$135,500, with \$70 claimed exempt.

Creditors having claims amounting to more than \$100 are: Portage Tire Co., Boston, \$207; Converse Rubber Co., Malden, Mass., \$196.39; Firestone Rubber Tire Co., Akron, O., \$117.52; Lincoff Supply Co., Boston, \$134.72; Manley Brothers, Brattleboro, \$130; Standard Oil Co., Albany, N. Y., \$393.26; Vacuum Oil Co., Boston, \$112.01.

## STONED THE SALOON.

When He Was Refused a Drink—Youth in Burlington Court.

Burlington, Oct. 19.—I met a stranger on the way to Shelburne who asked me for a ride. He produced a quart bottle of whiskey and I drank the most of it. The stranger has the bottle, and I don't know his name.

Such was the story told by Harry Brown of 106 North street to Judge Palmer in city court yesterday, upon the judge asking him where he got his liquor that was partly responsible for young Brown stoning the saloon of Peter Smith on Main street Saturday night and smashing three large plate glass windows, causing damage estimated at \$200.

Brown is only 16 years old and the court was anxious to learn where he secured the liquor that made him drunk, but the judge was not satisfied with the young man's story and sent him back to jail to think it over.

The lad said he drove to Shelburne Saturday afternoon after some clothing. He was in the employ of the W. S. Swallow company and had been working during the week on the Mack house under construction in Shelburne. Brown said he didn't feel the effects of the whiskey until after he returned home about 5 o'clock. Then he couldn't remember what he did.

It appears that the young man while intoxicated, entered the Smith saloon and because he was refused liquor went out and filling his pockets with stones, threw them at the window. His arrest followed promptly.

## Corn Limpers! Use "Gets-It" and Smile!

Corn Cane Right Off, Clean and Quick!

You Needn't Limp, or Fuss with Your Corns Any More!

What's the use of spoiling a good time for yourself by limping around with those corns? It's one of the easiest things in the world, now, to get rid of them. "Gets-It"

"Those Corns Come Right Off, Clear As a Whistle, by Using 'Gets-It'!"

Does it the new way. That's why "Gets-It" has become the corn remedy of America, the biggest selling corn remedy in the world, preferred by millions. Do you remember that toe-clipping salve you tried, that sticky stuff, that bandaging, the gouging you've done with knives, razors and scissors? Well, now, forget them all. No more fussing, no more pain. Whenever you use simple, easy "Gets-It," the corns disappear, sure. So is every callous, wart or bunion. Never cut corns or callouses, it makes them grow that much faster and increases the danger of blood poisoning. No cutting is necessary by using "Gets-It." Use it to-night and end your corns' existence.

"Gets-It" is sold by all druggists, 25c. a bottle, or sent direct by E. Lawrence & Co., Chicago.

street opposite Bradford's mill resulted in calling out the fire company yesterday morning. An averaged-sized meter is alleged to have been blown from the pipe connection and from some source sending a torch about two feet in length against the floor rafters in the cellar. An alarm was rung from box 14 near Vail's store and the chemical extinguisher on the Bradford Hook & Ladder company's truck put out the blaze before it made much headway. It is reported by those who entered the cellar in advance of the firemen that the meter was blown at least a dozen feet from its location and the pine fuses off as though a torch had been applied. Damage to the house, which is owned by Dr. F. S. Pratt, was very slight.

## More Bernstorff Affidavits.

If the affidavits signed by muleteers of the Nicolson and yesterday filed at Washington by Count von Bernstorff, the German ambassador, are true the British admiralty is also afflicted with barbarians—with men willing to commit murder while pretending to carry on war. It is charged that the commander of the British patrol boat Baralong deliberately ordered the shooting of German sailors who were struggling in the sea and killed others in cold blood who had got aboard the Nicolson and offered to surrender.

Count von Bernstorff has had poor luck with affidavits. He does not seem to have great skill in detecting the true from the false. The Lusitania sheaf filed by him at Washington is now admitted to have been concoctions. One of the affidavit-makers admitted his perjury in open court.

In the present case the German ambassador has, of course, carefully investigated the circumstances surrounding the making of the affidavits; has made sure that they do not represent merely the tendency of salt and to develop yarn spinning; has seen to it that the memories of these American citizens of African descent have not been accelerated by benefits conferred by secret agents. Mule valets whose money is all spent after a hard cruise may be as truthful as other men, but perhaps not more so. In view of the contents of the affidavits it is somewhat amazing that the regular officer and crew of the Nicolson seem to agree in pointblank denial of the story told. Can it be that Count von Bernstorff has been hooked again—is once more the victim of his trusting nature?—New York Globe.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, it requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for full testimonials. Address F. J. CHENEY & CO., Toledo, O.
